## **BENEFITS FOR CHOOSING HOMELINKWORKAGENCY**

### **1. A 1 month probation period.**

We give our clients an opportunity of a month probation period wherein they will be able to teach/show/train the chosen candidate on how to manage their private household (taking care of babies). Whenever the candidate is showing a level of incompetent (slow to learn the required duties) the client is given an opportunity to take the second candidate from the interviewee if the candidate is still available.

In the event that the previous candidates are no longer available new recruitment selection will be conducted and the client will be scheduled for interview for free.

### **2. User-friendly online application form.**

Homelinkworkagency offers its clients with a user-friendly online staff seeker application form that can be used to apply for placement of a nanny or domestic worker, despite other channels that the clients can still use to send their request (phone, email and office visit).

### **3. Minimum of five candidates to interview.**

The client is given an opportunity to choose/interview a minimum of four candidates in order to can get the best placement and interviews are usually held in our offices.

### **4. Criminal check-up.**

All of our candidates to go through process of criminal history check-up and clearance certificate is made available to the employer (client).

### **5. Reference check-up.**

We conduct work reference check to all our candidates as part of our strict selection process.

### **6. A 12 Months guarantee to all of our placement.**

Homelinkworkagency gives its client a 12 months guarantee to all of its placements, in case of underperformances/incompetent from our candidate; client is entitled for free candidate replacement. The office will schedule a new interview with the client without the client paying any additional admin or placement fee.

### **7. Value for money.**

Replacement for non-performing, incompetent employee is given to our employers (client)s for free for the duration of guarantee.

### **8. Helping our client with employment contract.**

We provide our client with free customized contract of employment

### **9. Customer service-follow-up.**

We make a follow-up with its clients, in order to preview the performance of its placement and provides free intervention whenever is necessary.

### **10. Once-off admin and placement fee.**

The client is required to pay a once-off admin & placement fee to cover the probation process, 12 months guarantee and all the services as indicated above.
